Note: From **PROFILE** you can add and edit U.S. mobile phone, email and account information by following the prompts.

*Money sent account to account using a routing number and account number is not sent with Zelle® – it is Fiserv Turnkey Solution A2A functionality and will take 1 - 3 days to arrive. Consumers sending money to recipients at another financial institution should confirm with their recipient that they can receive money with an account number and routing number.
